2. Upon concluding the Agreement, the Payer and the Bank agree that the Bank shall debit the Payer's Account based on the SEPA DD orders provided by the Payee.
3. The Payer shall be identified by reference to the Account number provided in the SEPA DD order.
4. If upon giving the Consent to the Payee the Payer has indicated the validity period of the Consent, the Payer must, upon concluding the Agreement, indicate the period of validity in the Request to the Bank.
5. The Payer's Consent must be kept with the Payee, and the latter shall be responsible for the communication of the information about the Consent to the Bank.
6. The Bank shall not verify the basis on which the Payer has given the Consent nor whether the content of the Consent is in line with the Payer's interests.
7. The Payer shall, in consideration for SEPA DD services, pay to the Bank the fee set in the Price List.
8. The Bank shall debit the Account based on the SEPA DD order and shall make a relevant transfer to the Payee only provided the balance of the Account is sufficient for the execution of the SEPA DD order as well as for payment of the Bank's fee for the transaction.
9. The Payer shall have the right to withdraw the Consent at any time by notifying the Payee. Upon revocation of the Consent, the Payer shall notify the Bank in writing of the termination of the Agreement.
10. The Payer shall have the right to instruct the Bank not to execute any SEPA DD orders, upon giving the Bank and the Payee a relevant notice. Such an order shall be submitted to the Bank in writing and shall take effect no later than on the next business day after the Bank receives a relevant notice, provided the notice is submitted no later than at 14:00.
11. In the Request, the Payer may list specific Payees whose SEPA DD orders may be executed by the Bank. The SEPA DD orders that the Bank will execute shall be only the ones given by the Payees, and will reject all others, if any. Alternatively, the Payer may list specific Payees whose SEPA DD orders must not be executed by the Bank. The Bank will then execute any and all received SEPA DD orders except from the Payees specified by the Payer; the Bank will reject the SEPA DD orders from said Payees. 12. The Bank shall execute SEPA DD orders under the terms and conditions specified in the Description according to the details specified in the Payer's Request. The Bank shall not be liable for any loss incurred by the Payer or third parties, if the SEPA DD order is not executed due to the fact that on the payment date the balance of the Account is insufficient for debiting the required amount or if there is no valid Consent and / or the Payee's payment service provider fails to fulfil its obligations. The Payer must ensure a sufficient balance of the Account no later than by 12:00 on the Payment Date.
13. A SEPA DD order shall be executed by debiting the Account with the payment amount specified in the SEPA DD order submitted by the Payee on the Payment Date. If the Payment Date is a non-banking day, the payment shall be executed on the next banking day.
14. In the Request, the Payer may indicate the maximum amount (limit) of the payment transaction that the Bank may debit from the Account in accordance with the SEPA DD order. The Payer shall have the right, in accordance with the Law on Payments of the Republic of Lithuania, to demand the Bank to refund the amount of payment debited in accordance with the SEPA DD order within 8 (eight) weeks from the date of the Account debiting. Upon receipt of the request for a refund, the Bank shall make the refund no later than within 10 (ten) business days. When the Payer has exercised this right and has recovered the debited funds, the Payee shall have the right to demand from the Payer to pay the amount owing to the Payee. If the Payer wishes that the SEPA DD orders received from this particular Payee are not executed, the Payer shall indicate it in the Request, as defined in Clause 15.3.
17. The Payer shall immediately notify the Bank in writing of any executed illegal (without the Payer's Consent) SEPA DD order as soon as the Payer becomes aware of it, but not later than within 13 (thirteen) months after the day of execution of such illegal SEPA DD order.
18. The Bank shall not be liable towards the Payer for illegal execution of the SEPA DD order, if the Payer has failed to notify as defined in Clause 17 within 13 (thirteen) months after the day of the execution of the illegal SEPA DD order.
