Other not mentioned markets	As individually agreed	The relevant market list to be provided by bank upon client request

- Financial transaction tax in specific market may be applicable regardless of the trading venue or jurisdiction in which the securities are traded.
- Securities services fees and commission charges for Exchange Traded Funds (ETF) in the specific market will be equivalent to the fees and charges applied to equities in the same market.
- Foreign equities can be traded in lots, i.e. the exchange or broker can set the minimum number of shares or trade size multiple.
- OTC trades are available in most of the markets.
